The free/reduced application Zorad School District Food Service had on file for fiscal year 2013 permitted your child/children to be served free or reduced meals for 30 days at the beginning of the 2013-2014 school year.

You will need to fill out a new application at your child/children's school to continue receiving lunch and / or breakfast for the rest of the school year. If your child's school cafeteria does not receive a completed application at this time, you will need to provide your child/children with money or a sack lunch.

→ If you have any questions you may call the school.
